- ***Oil - TURBINOL Series***
- ***Rust Preventive (Anti Rust Oil) - RUSTOP Series***
- ***Rubber Process Oil - ELASTO Series***
- ***Quenching Oil - METAQUENCH Series***
- ***Refrigeration Compressor Oil - SEETUL Series***
- ***Air Compressor Oil - HYCOM Series Transformer Oil***

# HINDUSTAN PETROLEUM CORPORATION LTD

Hindustan Petroleum Corporation Limited (HPCL). a Govt of India enterprise and a global Forbes 2000 company. is the Largest Lude Marketer in India since 2013 HPCL. not only operaters the Largest lube base oil refinery producing 40% (430 TMT) of total India's base oil copacity but also have extensive marketing network having 15 dedicated lube regiinal offices. 6 blending plants (ISO 9001 cartified blending more than 500 grades of lubricants).

To briefly describe our level of excellece while blending lubricants, our Silvassa Lube Blending Plant is fully automated and hence only bare minimal 6 employees are managing the whole plant operation from Arranging raw materials to finished product dispatches.

Quality & quantity of our products are always a top most priority for us, for which each finished product has to clear an independent infrastructure of stringent Quality Control checks before leaving the facility. Our QC labs are reputedly accredited with NABL.

Among our reputed Govt. customers, Indian Army and other paramilitary forces (from the cold desert of Leh to hot desert of Jaisalmer). Indian Railways (lifeline of India connecting extreme geographies). Coal India SAIL to name few are the one requiring stringent discipline before accepting our tailor-made-products with respect to quality and quantity. On the other hand esteemed OEMs like JCB, Bajaj Auto, Sonalika, BOSCH, Gabriel etc. have been applauding the capabilities of HPCL by conferring many awards as marker of quality supplier of lubricants as well as for its after sales services.

# INFRASTRUCTURE

Industrial Oils | Automotive Lubricants Transformer Oils | Base Oils | Greases

***HPCL's infrastructure is at par with that of the best global corporations in the hydrocarbons sector. For over a quarter century now, HPCL has been consistently breaking new grounds in production and marketing.***
